Reunion – October 19-21, 2014, Charleston, SC

With spring breaking out all over, I know many of you are planning your travel for the year. Be sure to include the RMC reunion in your travel plans. We have a stellar location, great speakers and wonderful New York Life friends in attendance. If you have not yet visited the NYLRMC website, please take a minute to do that.

You can find a lot of useful information at

www.nylrmc.org/nextyearreunion.html. We have listed

many attractions in the Charleston area as well as the names of the members that have already registered for the event. You can also find the planned agenda for the upcoming reunion.

In order to attend you need to complete the online [Registration Form](#) and mail it to Jonathan Wooley at the address on the form. You also need to call the **Doubletree Hotel** directly at 877-408-TREE for arrival on Sunday, October 19, with checkout on Wednesday, October 22. The hotel does not have availability prior to the meeting but has limited space in the days following the reunion. Be sure to identify yourself as being with the RMC of New York Life to get the group rate of \$189.00 per room. More information about the hotel and its registration process may be found on the **Our Next Reunion** page of the website.

In addition to the normal meeting activities at Charleston, we have some fun and interesting tours planned. We will visit Fort Sumter, tour historic sites in horse drawn carriages, enjoy a dine around town in small groups hosted by the RMC and finish with a dinner/dance harbor cruise. More specific details are available at the RMC website and on the meeting registration form.

So, do not delay. Make your hotel reservations soon and complete the reunion registration form and mail it off to Jonathan. If you have any questions or need additional information please email

me at mjessicak@yahoo.com or call me at 510-220-7575.

We hope to see you in Charleston!

The American College Internship Program

The American College has selected two interns for this summer - **Ricky Terhune** and **Alex Henslovitz**. The college wanted to make sure that I mentioned their thanks!

Ricky's father, Rich Terhune, is the partner at New York Life's Stratford, CT branch. Ricky graduated from Florida Southern College last week and he is excited to join us. Ricky's time at The college will be dedicated to the Advancement and Alumni Relations Division, and he will be working with Erin Gazica on communications projects and with Bryan Yackulic on alumni relations. Erin will be responsible for supervising Ricky's work day-to-day, and Claudia Stovers will monitor his progress.

Alex's mother, Terri Apfelbaum, is a Medical Director and CVP at New York Life. Alex is a rising senior at Cornell University and he will be assisting Dave Littell and Jamie Hopkins with the activities of the New York Life Center for Retirement Income.

Both interns will begin work on Monday, June 9 for 8-10 weeks, ending on or around August 8, 2014. The American College believes that they have two very solid young people hired and on board. Both seem talented, energetic and eager to work at the college. Again, they want to say thanks to the RMC for this opportunity

Membership

Ever wonder what happened to someone you worked closely with at New York Life? Well, there is an opportunity for you and all those retired from Mother Nylic to find out. The Retired Managers Club gives the opportunity to stay in touch with people that you had the chance to work with over the years. It also offers vacations built around the annual meeting of the club. The meetings have been lots of fun and interesting. Group rates offer an attractive way to visit some nice hotels in interesting locations. Seeing familiar faces and names of the former NYL life people is really enjoyable too. If you are not aware, the club is made up of Field, HO, and Zone managers Grade 16 and above. There are likely people you know and have worked with in the club now. For much more information, go to the website at

www.nylrmc.org and you can find out a great deal of what's happening. If you have an interest, contact me directly at stadkins@msn.com. This year's meeting is in Charleston, SC. Looks like

a good one. I hope you will join this year (only \$50) and consider joining us in Charleston. I hope to see you there.

Looking Ahead - The 2015 Reunion

For those of you planning ahead, the results of the membership survey are complete and we are pleased to announce that the number one choice of the membership who responded (53) is to visit the Monterey Peninsula of Northern California. In Charleston, we will have more information on the dates and the site selected.
