Announcing the 2020 RMC Reunion

Greetings from the NYL Retired Management Club

As many of you know, we just completed our 2019 RMC Reunion at the beautiful **Omni La Costa Resort** in Carlsbad, California. It was nice to see many familiar faces again and welcome new members at the beautiful resort setting of Southern California. Check out the article below for more information.

Now, as we look forward to our 2020 RMC Reunion, we will be celebrating a very special milestone....NYLIC's 175th Anniversary!! To mark this very special occasion, we have chosen Historic Savannah Georgia for next year's reunion. Georgia being one of the original 13 colonies, and Savannah being the oldest city in Georgia, there is much to see and do in this beautiful city.

SAVE THESE DATES: Next year's RMC reunion will be held October 4 - 7th, 2020 at **The Kimpton Brice Hotel** in Savannah, GA. We are already starting to add information to our website for the 2020 Reunion site, including the promotional video of the hotel that was shared at the reunion. As we get closer to the date, more information will be added. [You may check out the 2020 Reunion page here...](#)

Don't forget to go to the RMC website's [Members](#) page, to renew your membership or for new members to join. Please be on the lookout for additional information on next years reunion at Savannah, GA.

Please feel free to contact me at ebc53@hotmail.com or nylmc@nylrmc.org or call me at (917) 796-7980 with any questions.

Have a great rest of 2019 and looking forward to seeing you in Savannah.

Best Regards,

Eric

2019 RMC Reunion Recap...

Those of you who were able to join us at **The La Costa Resort** in Carlsbad had a wonderful time. It was an great location with things to do for everyone. From the Oceanside Harbor cruise where we enjoyed the time with the hundreds of dolphins, visiting some micro-craft breweries. or playing golf, I think everyone enjoyed their time in southern California. I would be remiss if I didn't remark on the outstanding business sessions featuring **John Felago & Jill Fitzgerald** sharing their stories and pictures, **Morris Sims** talking about life after retiring, as well as **Joel Steinberg** giving us an update on the company, and **George Nichols**, now President of The American College, filling us in on the latest information about the college. All in all - an outstanding reunion!

Pictures from the reunion, shared by many of the attendees, are now available in a slideshow on our website. [You may see them here...](#)

2019 The American College

Internships

The RMC Endowment Fund continues to support New York Life and The American College by providing an annual summer internship program at the College. As you know, relatives of RMC members and New York Life employees and agents are eligible to apply for this internship, although RMC members' relatives are given first consideration.

In 2019, we sponsored 3 interns! the first was **April Kacura**, a senior at Saint Mary's College of California where she is majoring in Integrated Liberal Arts. Her grandfather is a retired New York Life agent. The second was **Harrison Benefield**, a 2019 graduate of the University of Arkansas. The third was **Jana Boksan**, a junior at UCLA majoring in Financial Actuarial Mathematics. Jana's father, Ed Boksan, is a New York Life agent who learned about the Internship program on the Agency Portal. The American College greatly appreciated having these 3 interns during their summer of transition as they settled in to their new campus location in The King of Prussia, PA.

For more on these impressive young people, please visit the RMC website's **RMC Outreach Project** page to view the [2019 Internship video](#).
