RMC Newsletter - February, 2022

Greetings to all NYL RMC members!

As we roll into the middle of February, we are reminding you to save the dates for the **RMC Reunion** in Savannah from October 23 - 26th. We are currently working to finalize the details for the agenda and activities associated with the upcoming reunion. Watch for those details in a future announcement and on our website.

We anticipate opening the registration in the spring of 2022.

We have already confirmed that fellow RMC member and former NYL President **Fred Sievert** will be our keynote speaker this fall!

Listed below are two other bits of information regarding our upcoming event.

Did you know....Savannah is the oldest city in Georgia? It was founded in 1733 by General James Edward Oglethorpe, a British philanthropist and a congressman.

The city has a rich past making Savannah have a beautiful character and historical buildings. There are manicured parks, horse-drawn carriages, gothic buildings and haunted houses.

Savannah's past has made it one of the most visited southern cities. It is known as the first well-planned city in America.

Walking or taking a trolley through the city to see beautiful architecture is just one of the tours we are planning to this year during our time together! More information coming soon!

Did you know... The RMC Endowment Fund helps support New York Life and The American College by providing an annual summer internship program at the American College of Financial Services? Details to the 2022 Internship program and how to apply will be announced soon. We will notify members by an email as well as updating the information on our website. This year, in addition to those who apply directly to the program, candidates who apply for New York Life internships will also be considered.

This dynamic internship is for relatives of RMC members and New York Life employees and agents, although RMC members' relatives are given first consideration. To find out more about the internship and how you can contribute to the endowment fund go to our **[The American College Internship Program & Endowment Fund](#)** page on our website. Here you can also learn about the three 2021 interns and watch a video where they each describe their experiences.

At this year's reunion in Savannah we will have an update from the college.

Reminder - RMC Membership Dues are being waived this year for all active 2021 members.

The RMC Board again this year has decided to waive the annual Membership Dues for all active 2021 members. We thank you for your support during these difficult past couple of years!
