December 22, 2025

Dear RMC Member,

We wish you a very special *Holiday Season* and a *Happy New Year!!*

Thank you for your consistent support of the NYLIC Retired Members Club. The club's leadership team remains very grateful to each one of our members. Our objective is to give you the opportunity to maintain your NYLIC Friendships and establish new ones. All the while, having a bit of fun along the way.

[Plan for 2026 Now](#)

Planning for 2026? - Please put the RMC Reunion on your calendar right now. (Yes, stop and get your calendar and do it now, please). September 27th - 30th. We will be meeting in the historic **Hyatt Centric** in the French Quarter. If you enjoyed "Hoop Dancing" in AZ, just wait until you see what we're coming up with for New Orleans! Please, put the dates on your calendar now. Then, book your flight, or plan the drive, and join us in New Orleans 2026. Carla and I are driving in. Let's make this our biggest and best reunion ever!

[Membership and Attendance](#)

We shared with you the numbers for our membership when we were in Arizona.

The bottom line is that our membership and our reunion attendance is going in the wrong direction. From a high a few years ago over 150, we were a bit below 100 in October. Reunion attendance was the lowest in 2025.

Help from the entire club membership is needed if we want to turn this trend around. **Very soon we will be announcing a club-wide Zoom meeting.** We will discuss where we are and specifically what we need to do to change this trend. Please be ready to join us for the meeting. In the meantime, find a retiree and encourage them to join! Refer to the [Members page](#) on our website for more information.

Members of Interest

Who do you know that is over 75 and wins a bike race in Pontevedra, Spain? YES, our very own **Cande Olsen**, Retired Senior Vice President and Department Head in the Home Office! Wow, what a great picture of Cande on the podium for 1st place in the 75-79 age group for the Mountain Bike Duathlon World Championship.

What's happening with you? Please send us pictures and information about the wonderful, memorable things you are up to all over the country - so we can share these with our members.

I look forward to seeing you on the Zoom call in February. More details to come. Also, check out the [Our Last Reunion](#) pages on the NYL RMC website for pictures from our reunion in Arizona. It was AMAZING!

Best Wishes,
Morris
