RMC
RETIRED MEMBERS CLUB
of NEW YORK LIFE

May 16, 2023

Good News from 51 Madison Avenue!

We have some good news to share with everyone! The June edition of the **NYL News** will include our [brochure](#) about the club with an invitation to join. The mailing will reach about 5,000 retirees. In 2020, we changed the Bylaws to include all retirees and the company has kept good on their promise to open some channels to communicate with newly retired employees. Also, an article about our 25th anniversary will be posted on the company intranet. And finally, the company has also agreed to increase the level of funding for this year!

Our 25th Annual Reunion October 15 - 18 - San Antonio, TX

With all this good news, we wanted to remind you to register and make your hotel reservations as soon as possible for the reunion. [Click here](#) to take you right to the reunion page on our website. Remember, your membership dues needs to be current. You can check if you are current in 2023 under the website's [membership tab](#). **The Hotel Contessa** has guaranteed us a block of rooms and we want to accommodate as many club members as possible and their guests at this year's reunion. We do hope that new memberships and attendance at the reunion this year will be a great milestone to celebrate our 25th!

At the meeting, we hope to have lots to share in a special brochure commemorating the club's 25th Reunion Anniversary. Attendees will also receive a special commemorative gift.

We hope to meet you in San Antonio for fun, informational business sessions and relaxation with old and new friends. Don't forget there is a lovely pool area and spa right at the hotel!

Here are a few thoughts from a long-time member and a newer member who attended

his first time reunion in 2022...

As an RMC member for 15 years, Jim and I have had the opportunity to make many new friends, as well as keep in touch with old friends, across the country. These special friendships and our shared experiences have become a very special part of our retirement years.

~Georgene Sfraga Panza~

*Having retired from New York Life in 2003, it was easy to lose touch with those whom I had worked with over the years. When I heard about the **Retired Members Club**, I figured it would be a great way to reconnect with many of my former friends and associates, so I joined and signed up to attend the Annual Meeting in the fall of 2020. Of course, as everything else that year, that meeting was cancelled as well as the next one in 2021 because of Covid-19. Finally, the RMC was able to hold their Annual Meeting again in 2022 in Savannah, GA and Jan & I looked forward to attending. It didn't disappoint! In true NYL fashion, we were wined and dined for 3 days, had excellent morning business sessions with great speakers which spouses were able to attend, as well as "free" afternoon time to explore the area. Being able to reconnect with so many people I had worked with over the years or knew through my Home Office connections was definitely a highlight of the meeting. I look forward to attending again in San Antonio, TX in 2023 as well as future meetings to stay in touch with my many retired NYL associates.*

~Ralph Ward~

Hope to see you in San Antonio!
