Recap of the 2025 Reunion

For those who attended the reunion at the fabulous Wigwam Resort, we are sure they would agree this was a wonderful reunion. The site was beautiful - good food, friendly staff, and perfect weather! This year's program was excellent from the opening night with Tony Duncan, the award winning Hoop Dancer, an interview with Jules del Vecchio and his DIL, sport documentarian - Katie Walsh, presentations from our own Bruce Schobel and Jeff Hatchman, a warm welcome from Marc Braden, the MP of the Arizona GO, Zoom presentations from the Home Office HR Department & from The American College, and remembering those who have passed - including a fitting slideshow of our founding member - Al Iovinelli. In fact, we remembered Al throughout the reunion in many ways.

During the presentation from The American College, we were shown a video of this year's interns. If you would like to see the video, [click here...](#)

Sharing your Photos

After each reunion, we post a slideshow of photos on our website. If you have any photos you took at the reunion that you would like to share, please email them to John Felago (felago@aol.com). John will then organize them before we make them available on the website in a few weeks.

The 2026 RMC Reunion

Our 2026 RMC Reunion will be held at the **Hyatt Centric** - in the heart of the vibrant French Quarter - New Orleans, Louisiana. With classic architecture, creative cuisine, and the lively Bourbon Street scene, you'll find the fun never ends. With all this and more, the hotel provides the perfect launchpad for our adventure. The reunion will begin on Sunday, **September 27th** and run through to Wednesday, **September 30th**. Mark the dates on your calendar now because you will not want to miss this reunion.

To learn more about the site, you can visit the hotel's website [here...](#) or watch the video announcement shown at the reunion [here...](#) We will soon be updating the **Our Next Reunion** pages on our website with more information about the 2026 reunion. *(Check back often as the pages will be updated often as we get closer to the date of the reunion.)*

Of course, the best part of our reunion is seeing each other and spending time with friends and colleagues from New York Life! **We hope to see you there!**
